CCFI

COMPLETE CONTRACT FURNITURE INSTALLATION LTD

ABOUT US

At CCFI, we don't just design and manufacture quality furniture, we love what we do and bring our expertise and enthusiasm to every project we undertake. Our years of experience will help to guide you through the process of furnishing your project with beautifully made, elegant furniture. Our main aim is always customer comfort and care, so you can be certain of fantastic results every time.

COMPANY INFORMATION

CCFI are a manufacture of quality commercial furniture, based in Hampshire. We produce and supply a range of quality furniture for a variety of environments including: Retirement Schemes, Housing Associations, Extra Care Units and Social Housing. Whatever your needs, we can assist you in creating a comfortable, tasteful environment by offering free site visits and consultation, delivery, installation and removal of all packaging.

WHAT WE DO

CCFI now operate from 3 factories in Park Gate, Southampton.

Solid hard wood timber is imported from FSC managed forest in Europe into our modern frame shop, where our local craftsman manufacture top quality chair and sofa frames. Then onto our upholstery factory next door where the cutting and sewing of fabrics, and skilled upholsterers produce first class furniture. ALL MADE IN THE UK!

CCFI support and encourage the route to a Carbon Neutral Future by offering a re-upholstery service which not only helps reduce CCFI carbon footprint, it also benefits yours.

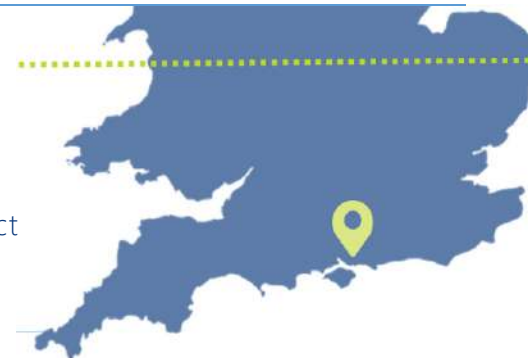

HISTORY AND THE FUTURE

We began trading in 1984 as Hi-Care Furniture, and have gained over 41 years experience in manufacturing and supplying commercial furniture. In 2011 a new factory and name renewed our emphasis on quality and client care, to a much wider customer base. Through our dedication to quality and customer satisfaction, we aim to consolidate our position as one of the UK's foremost contract furniture suppliers in the South of England.

CCFI now supply a customer base within the south of the UK - thus reducing our carbon footprint even further.

A WORKING PROCESS THAT CCFI ARE PROUD TO AIM FOR. LETS GO GREENER TOGETHER...

How to Measure Curtains, Poles and Blinds *Supply Only*

Measuring your Blinds

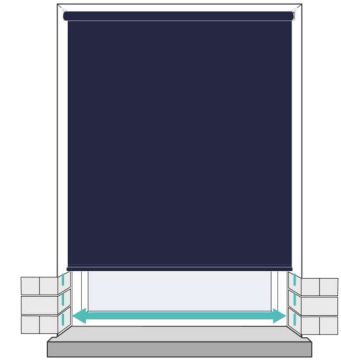

Step 1: Measure the Width

Measure the width of your window recess in three places, top middle and bottom. Use the smallest measurement as your width.

Step 2: Measure the Drop

Measure the drop of your window recess in three places; top, middle and bottom. Use the smallest measurement as your drop.

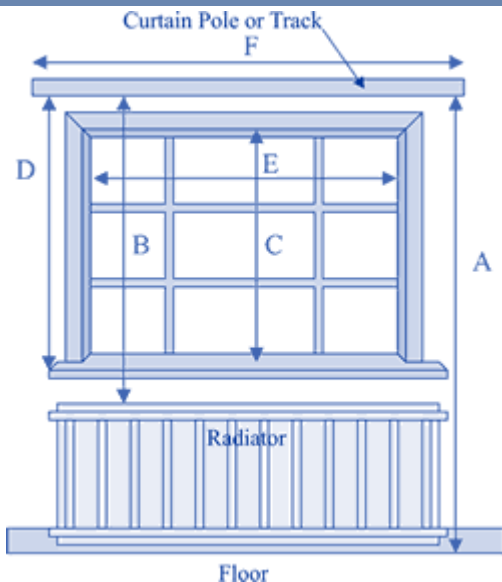

Note:

If you have obstructions within your recess (e.g. tiles) measure between these two points and use this as your width measurement.

Check your recess depth

Ensure you have at least 5cm clearance between the front of your window recess and the edge of any obstructions.

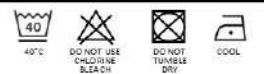

Measuring your Curtains

- A. Curtain Length (drop) from the track or pole to the floor.
- B. Curtain Length (drop) from the track or pole to the radiator.
- C. Curtain length (drop) inside the window recess.
- D. Curtain length (drop) from the track or pole to the window sill.
- E. Width inside the window recess.
- F. Width of the curtain track or pole
