COMPLETE CONTRACT FURNITURE INSTALLATION LTD

At CCFI, we don't just design and manufacture quality furniture, we love what we do and bring our expertise and enthusiasm to every project we undertake. Our years of experience will help to guide you through the process of furnishing your project with beautifully made, elegant furniture. Our main aim is always customer comfort and care, so you can be certain of fantastic results every time.

## COMPANY INFORMATION

CCFI are a manufacture of quality commercial furniture, based in Hampshire. We produce and supply a range of quality furniture for a variety of environments including; Retirement Schemes, Housing Associations, Extra Care Units and Social Housing. Whatever your needs, we can assist you in creating a comfortable, tasteful environment by offering free site visits and consultation, delivery, installation and removal of all packaging.

## WHAT WE DO

CCFI now operate from 3 factories in Park Gate, Southampton. Solid hard wood timber is imported from FSC managed forest in Europe into our modern frame shop, where our local craftsman manufacture top quality chair and sofa frames. Then onto our upholstery factory next door where the cutting and sewing of fabrics, and skilled upholsterers produce first class furniture. ALL MADE IN THE UK!

CCFI support and encourage the route to a Carbon Neutral Future by offering a re-upholstery service which not only helps reduce CCFI carbon footprint, it also benefits yours.

## HISTORY AND THE FUTURE

We began trading in 1984 as Hi-Care Furniture, and have gained over 42 years experience in manufacturing and supplying commercial furniture. In 2011 a new factory and name renewed our emphasis on quality and client care, to a much wider customer base. Through our dedication to quality and customer satisfaction, we aim to consolidate our position as one of the UK's foremost contract furniture suppliers in the South of England.

CCFI now supply a customer base within the south of the UK - thus reducing our carbon footprint even further.

**A WORKING PROCESS THAT CCFI ARE PROUD TO AIM FOR. LET'S GO GREENER TOGETHER...**

## THE AUGUSTUS DESIGN

### A Tilt-In-Space Motor Recliner

The Augustus Tilt-in-Space Recliner provides effortless relaxation and superior comfort. The fibre lateral back supports the lower back, helping to relieve pressure during extended seating, along with its premium sprung seat made of reflex foam. The real wooden arms add a level of sophistication while providing additional support when standing or seating. And with the **locking castors**, the Augustus won't accidentally move.

Shown in Zephyr Mist

Available as a **Single** or **Dual Motor**, with complimentary Head and Arm Covers

The Tilt-In-Space mechanism reduces pressure point issues, enhancing overall comfort with its ability to recline without altering the preferred seat angles. By keeping the hip, knee, and ankle positions fixed allows for the body's natural position to be maintained. This makes the Tilt-in-Space ideal for individuals who spend extended periods seated.
